

VILLA Bella Vista

The B&B Villa BellaVista has the pleasure to welcome you in it's marvelous location overlooking the Gulf of Trieste.

To complete the enchanting view we offer a quiet, modern and comfortable ambience to relax in the quiet of nature, taste excellent breakfast and enjoy the pleasure of being hosted with all the comforts of home.

Villa BellaVista is located on the hill only 5 minutes from the city center.

A perfect retreat for singles, couples and business travelers that seek peace and privacy for their stay, my guests have an entire floor of the Villa with newly renovated rooms available that have private bathrooms and wi-fi connection, and a breakfast room with a panoramic terrace and patio with a well-kept garden. The B&B has an independent entrance and fenced **parking**.

In an enchanting position the outdoor swimming pool (access to which is determined by weather conditions) with deckchairs, solar shower and pool towels is available.

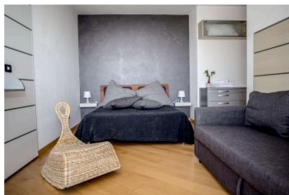

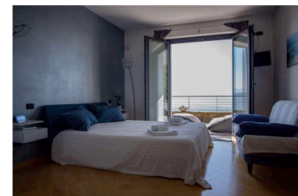

I emphasize that no chemical products are used for water treatment, instead an electrolytic process is used for the transformation of salt into chlorine.

Because of the structure in terraces, the Villa is **not suitable for children**. Due to its location in a residential area **respect for tranquility is requested**. Our four-legged friends are welcome.

The three newly renovated rooms, each different from one another, have been characterized by a dominant color. Each room is equipped with a private bathroom furnished with everything needed for care of the body and free wi-fi.

BLUE OASIS

This room in relaxing shades of blue has a French door for direct access to the garden overlooking the gulf and is furnished with a double bed plus a sofa bed; the private bathroom is located inside the room.

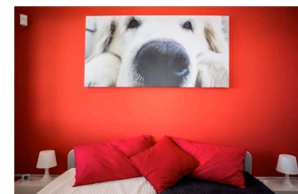

GREY OASIS

This room in quiet shades of gray has a French door for direct access to the garden overlooking the gulf and is complete with a double bed plus a sofa bed; the private bathroom is located outside the room.
